There are art lockers in the studios. When available, they rent for **\$20 per year per locker**; for further information and availability, please consult the posted locker list in Studio 1 or the website (www.rossmoorart.com/studios.html). *(Annually, dues and locker fees may be submitted in a single check. Locker fees must be received by Jan 31 each calendar year or the locker reverts back to RAA.)*

If you haven't already, we recommend you visit the RAA website www.rossmoorart.com. There you will find current information on instructors, classes, exhibits, events, resources and contacts. The weekly Rossmoor News is a great way to keep up with RAA activities as well.

We encourage new members to get involved. RAA is a vital, active non-profit organization and we always welcome enthusiastic volunteers to help keep club activities to routine tasks on track. We invite our membership to help out however they are able and feel best suited whether it's occasionally or as a committee or board member. Involvement of some sort is a great way to connect and get acquainted!

Please take a moment and let us know about your background and particular interests/talents.

Yes, I would love to help!
